

Pebblebrook High School Band

Falconette Parent & Student Handbook

We pride ourselves on teaching more than just flags and dance. We teach Discipline, Self Esteem, Grace, Respect for oneself and others, Team Work, and Good Sportsmanship. The Falconettes are highly visible on the school campus and in the community; therefore, high standards and appropriate conduct are essential.

As representatives of PHS band, Falconettes will be expected to maintain a higher standard of behavior than that of their peers; both on and off campus and in or out of uniform. Falconettes have a greater responsibility to achieve these expectations at all times.

Academics:

High academic achievement is expected for all Falconettes. Students are encouraged to study and complete homework assignments daily after leaving band rehearsals. If a Falconette is having trouble in an academic class, they should immediately sign-up for tutoring sessions from the instructor of that specific class. Falconettes failing academic courses may be sat down from weekly rehearsals and/or performances until their grades show improvement.

Health and Fitness :

All Falconettes must complete the Cobb County School District Medical Release form IFCB-5 at the start of the band season. Flags/dance are rigorous activities and all participants are required to be in top physical condition. Students with serious health problems that are aggravated by exercise which limit full participation should be cleared by a physician before resuming band activity. All Falconettes are considered athletes expected to condition to a level to benefit not only themselves, but the auxiliary team and the band as one unit.

Fundraising:

Fundraising is a necessity to ensure the band program functions at its most efficient level financially. Although band students pay fees, those alone do not cover the entire operating expenses of the band. It is our expectation all Falconettes do their “fair share” and participate whole-heartedly in the band fundraisers.

PHS Band Booster:

The Band Booster is a voluntary parent organization which is vital to the overall success of our band program. Parents affiliated with the band booster assist the band by performing specific influential tasks. All PHS band parents are encouraged to be involved with the band boosters throughout the school year. Be sure to attend the monthly Band Booster meetings to stay current on relevant parent information. Band students are to be respectful at all times to band booster members and any other parent volunteers assisting the band program.

Effort

Being a member of the PHS Band requires a major commitment from Falconettes and their families. Success requires many hours of work from each member. Our goals include developing as an individual and as a team. These goals take no less than 100% effort from each member to reach. Therefore, it is important for members to understand the necessity of giving 100% at all times.

The Falconettes are expected to perform on a high level. Students who do not perform up to the standard in rehearsal may not be able to participate in the performance that week.

Band Calendar

Calendars are essential! **An event calendar is located on the PHS Marching Band Website (<https://www.pebblebrookbands.com/calendar>).** It is the member's responsibility to be aware of upcoming events and to plan accordingly. Outside commitments should not conflict with any Falconette duties. By committing to the program, each member has made being a Falconette a primary responsibility. Other outside commitments such as part-time jobs, club meetings, and other extracurricular activities must not interfere with participation in an event, game and/or practice.

Parent Commitment:

Parents, as the adults, you and our staff are expected to model the appropriate behavior we would expect our students to exhibit daily. Please encourage your student in this effort. Should you become aware of any conflicts between your student or yourself and another, please bring that to the attention of the Band Director(s) and/or Staff immediately. Parental attempts to resolve an issue themselves could easily be misconstrued and actually escalate the conflict. However, if it is determined by the Band Director that a parent has willfully instigated, and/or perpetuated conflict among their student and any other band member(s), that parent's student could face permanent removal from the Pebblebrook High School Band Program. Parent, your signature below shows your understanding of your important role in your student's success, and your commitment to helping your student have the most positive experience possible in the Pebblebrook Band.

THE IMPORTANCE OF PROCEDURE:

Policies and procedures are put forth in this handbook to ensure that all aspects of the Falconettes run smoothly, and that each participant has a fair, safe, positive, and successful experience. It would be appreciated if exceptions to the rules are not requested.

At times, unforeseen circumstances may dictate modification of a policy. In this case, modifications will be made on a case-by-case basis at the discretion and judgment of the coach, sponsor or band directors!

Attendance:

Band is an activity that thrives on the consistent attendance of its members. All band camps, rehearsals, and performances are **mandatory** and should not be missed unless a catastrophic event, emergency, or illness has occurred. If an emergency occurs, notify the band staff immediately by phone call, text, or email. Falconettes should be on time for any scheduled event with all required items and equipment. **Please keep in mind that “To be on time is to be late and to be early is to be on time”.** This implies Falconettes should be present and ready to perform 15 minutes prior to any call time. Falconettes that are late to an after school band rehearsal should have a signed pass from the teacher hosting tutoring. Students that participate in other activities that conflict with band after school rehearsals are to **communicate with a band staff member before being late or missing a rehearsal.** Falconettes that are excessively tardy or absent from band rehearsals may be sat down from weekly performances or removed from the auxiliary team. Lastly, any participant who quits the Falconettes team will be disqualified from trying out the following year.

Absence:

If a member is sick before/during/after school, she must check in and contact her coaches, sponsor, and band directors. Members must inform coaches in order to be cleared from an absence/tardy. It is solely the member’s responsibility to learn choreography from a missed rehearsal and arrange for someone to record new choreography to learn in case of an absence.
