

## Pebblebrook Band Concert Attire Requirements

Greetings Parents and Students, I hope this message finds you well. It is time to prepare for our evaluations and concerts. We expect our students to be professional in music performance and in appearance. Below you will find the information to order your child's formal attire. Students will be required to wear formal attire for LGPE and Spring Concert performances. LGPE is a District wide performance, which takes place in March each year. Students are evaluated on Tone, Intonation, Technique, Balance, Interpretation, Musical Effect, and Other Factors. It is important that we all are in uniform as Other Factors such as stage appearance and uniform are requirements for on stage performance on the high school level. Our young men will wear these handsome uniform tuxedos and young ladies will wear these beautiful uniform gowns. Uniform pearls will be ordered through the band. Delivery time is usually 2 weeks so please plan accordingly. The garments will have to be hemmed before the students can wear them. Email us at [pebblebrookbands@gmail.com](mailto:pebblebrookbands@gmail.com) if you have any questions.
