

I hope you had a good Labor Day Weekend. As stated in our meetings last week, the Marching Band will be performing in alternating groups in accordance with the Pebblebrook Administration. The first group will be the Test Band consisting mainly of the Band Leadership Team and other students. This will allow us to test the safety protocols and procedures with our most experienced band members. All other students not performing with this group will be performing in alternating groups beginning at the 2nd home game on Friday September 18th.

Please see the attachment for the Blue Band and Maroon Band Rosters.
